

THOMAS WHITLOCK OF LANCASTER CO., VIRGINIA

As we try to piece together the bits and pieces of early Whitlock history in Virginia in the hopes of coming out with a comprehensive picture you begin to realise that some of the seemingly unrelated events must fit in somewhere. One such item is contained in Volume 22 of the Virginia Colonial Abstracts - Lancaster County Court Orders 1652-1655. Has anyone a clue to who this Thomas is? Thomas Whitlock (1615-1659) of Rappahannock Co.?
