

# S.C. WHITLOCKS REUNION

Betty Adams of 1371 Mountain Shoals Road, Enoree, S.C. 29335 (Phone: 803 969-9544) is organizing a reunion to be held at her home on the afternoon of July 25, 1992.

Betty is looking for anyone with possible links to Bennett Whitlock from Virginia who settled in Union Co., South Carolina in the early 1800's. There has been quite a bit of new material come in relating to the South Carolina families and I urge any of you with roots in South Carolina to attend if you can. Reunions are a terrific way to share research and get to know others interested in the same area. I was tempted myself to fly down for a few days.

Good luck and I am sure it will be a terrific afternoon.
