

WHITLOCK BOOKS

We received a card (X1746) from Booth Books, 44 Lion Street, Hay-on-Wye, Hereford, England HR3 5AA advising us they had received a copy of *A Family and a Village* by Ralph Whitlock. Price £6.00 + £3.00 postage by surface mail. This book deals with Ralph's family in Pitton, Wiltshire and mentions many of the Whitlock families living there prior to 1914. I have written to Booth and thanked them for their card and advised them I would be pleased to list in the Newsletter any such publications that come their way from time to time.

If you come across any Whitlock books for sale that you think may be of interest please let me know and I will list them.

If you are interested in acquiring anything listed please contact the seller directly. I, of course, cannot vouch for the condition of any second hand books offered for sale.

I did ask Booth if they ever came across any books of the American, Brand Whitlock as I do have people ask about his books from time to time.
