

LOTTIE HILL (1902-1994)

I had been advised of Lottie's death some months ago but on a recent trip to Winnipeg I telephoned Lottie's son Earle and was advised Lottie died March 25, 1994 following a short stay in the hospital after a fall. Lottie was one of my father's cousins.

Charlotte Louisa Whitlock was born Nov.17,1902 the eldest daughter of William Frederick Whitlock & Mabel Covill. Lottie married Ernest George Hill in Winnipeg in 1924 and lived in Winnipeg most of her life. We started corresponding in 1970 and over the years Lottie's letters kept me up to date on the family in Manitoba and Ontario and her numerous grandchildren and great-grandchildren. I will miss her letters and encouragement.
