

ELAINE RADOSEVIC (1921-1995)

Elaine's husband John wrote to advise us that she passed away August 25, 1995. I came to know Elaine through Tom Roach when he was publishing the Whitlock Gleanings Newsletter and working on the East Tennessee families. There was an elusive Jeremiah Whitlock that Elaine was trying to track down.

Always willing to share her finds and keep an eye out for stray Whitlocks, I will miss Elaine's letters.
