

ELIZABETH DUPRE

We have known for sometime that Thomas Whitlock of Halifax Co., Virginia married Elizabeth the daughter of Thomas Dupre. Unfortunately the marriage entry does not give a surname for Elizabeth. There has been some speculation that Elizabeth's name was not Dupre.

I went back over some of the information sent in by Tom Roach in the 1980's. Included is a letter from Charles A. Walker Dd Sep.18,1984. Charles talks about Thomas Dupre's will dated May 10,1784 which mentions his daughter Elizabeth Whitlock, wife of Thomas Whitlock. There is also documentation showing that Thomas Dupre had an adopted daughter named Elizabeth Walker.

Charles states "Juday Walker, widow of Tandy Walker, of Lunenburg Co., Virginia, designated in the 1752 will that various persons should take her seven children. Her daughter Elizabeth Walker was to go to Thomas Dupree."

As Thomas Whitlock and Elizabeth Dupre were married June 10,1748, four years prior to Juday Walker's will it would seem obvious that we have the correct Elizabeth.
