

# EDWIN WHITLOCK OF MILTON MALSOR, NTH

Iris Welford of Norfolk, England is trying to track down Edwin the son of Thomas & Prudence (Palmer) Whitlock (M1833) of Blisworth, Northamptonshire.

Edwin was born in 1845 in Blisworth. He married Avery Ann Elliott December 30, 1868 in the neighbouring village of Milton Malsor, Northamptonshire at which time he is listed as a Blacksmith of Milton Malsor. In 1866 Edwin is a witness at the marriage of his brother Samuel to Emily Alice Ayres at Blisworth. He has not been found in the 1871 census.

Edwin is thought to have emigrated to America and there is an Edwin Whitlock on the 1880 census of Pareola, Woodford Co., Illinois, U.S.A. He is age 35 born in England. While there is no proof this is the correct Edwin it seems likely.

There is no Edwin Whitlock in the 1900 census of Illinois.

If anyone has additional information that might give a clue to what happened to Edwin Whitlock I am sure Iris would be very pleased to hear from you. Her address is "The Cottage", Hall Lane, Morley Saint Botolph, Wymondham, Norfolk, England, NR18 9TB
