

# CAROL BETH (CANNING) ALLEY (1921-1998)

Our thanks to Charles Robert Canning for advising that his Aunt, Carol Beth (Canning) Alley passed away September 9, 1998.

Carol was a descendant of Benjamin & Elizabeth Whitlock who lived at North Aston, Oxfordshire in the 1830's. Her route to the Whitlock Family Association was a round about one - Carol went to Russia!! On a trip to Moscow in the early 1990's she met Mrs. George Whitlock of Mesa, Arizona, who passed on our address.

We have not yet able to determine if Benjamin Whitlock was part of the WHITLOCK.20 line, the Whitlocks of Oxfordshire. Hopefully Carol's research will assist others to find the answer.
