

WHITLOCK GOLF COURSE ITEMS

I was in Montreal in July and made my annual visit to the Whitlock Golf and Country Club in Hudson Heights, Quebec. The Pro-Shop has an all new line of Whitlock items but unfortunately they no longer are producing the wonderful hunter-green sweat-shirts. I have worn the one I have with the gold lettering "WHITLOCK" across the chest and the club crest underneath for over four years and it washes up like new each time.

I was able to pick up a few things and as usual they are a bit expensive but of great quality. I have the following on hand:

- 1 Medium hunter-green sweatshirt ("WHITLOCK" with diamonds across the chest) \$100
- 3 Brass ball marking tools (with WGCC crest) \$25 each
- 2 Tan baseball style visor hats ("WHITLOCK G & CC in brown) \$35 each

Prices are in Canadian dollars and include mailing. While my supply of these items is small I can order more and they will mail items. They do make a unique Christmas gift for a Whitlock researcher.
