

JEAN ELSIE (MARGETSON) WHITLOCK (1927-2000)

I was very sad to learn from Jean's family that she had died December 4, 2000. Jean lived in Cohuna, Victoria, Australia and was one of the many Australian families that we contacted when Peggy Cohoe of Kingston, Ontario teamed up with Adrienne Campbell of Australia in 1983 and wrote to all the Australia and New Zealand Whitlocks and Whitelocks with a letter and questionnaire.

Jean's husband Cecil Percival Whitlock (1920-1982) was one of the Pitton, Wiltshire clan and over the years we were able to trace his ancestors back to Robert Whitlock of Pitton who married firstly Susannah Tisdale (1713) and secondly Hanna ?? (about 1724). Descent was through Robert & Hanna's son Jonathan Whitlock who married Elizabeth Olden in Pitton in 1752. Jean's family is detailed on our WHITLOCK03 chart The Whitlocks of Pitton, Wiltshire #1
