

# MAYME H. (WHITLOCK) WILSON (1927?-2002)

Nancy Whitlock let us know that Mayme Wilson of Covington, Kentucky had died October 10,2002 age 75.

Mayme first wrote in 2000. She was a widow, her husband Charles Wilson having died in 1976. She was a late comer to genealogy and was trying to trace the parents of her great-grandfather Richard Whitlock who married Elizabeth Stinnett as his second wife. Richard had married his first wife, Elizabeth Tudor December 21,1849 in Richmond, Madison Co., Kentucky.

We were able to determine that Richard's parents were likely Valentine Whitlock and Lucy Ann Long and that Mayme was a part of the WHITLOCK35 family.

While our correspondence was not over a long time, Mayme's letters and cards conveyed an excitement and happiness at each find she made. I was happy to have known her.
