

MARY JANE (PRATT) COHOON (1932-2009)

John Cohoon advised me recently that his wife Mary Jane had passed away January 30. Mary Jane had been a long time subscriber to the Whitlock Family Newsletter, first contacting me in 1996. She lived in Erwin, Tennessee and was researching her husband's Whitlock ancestors. John descended from Joseph and Permelia (Wasson) Whitlock and over the years Mary Jane was able to use the Whitlock Family Association files to trace his family back to the 1600's in Connecticut as part of the WHITLOCK09 chart.
