Things have been a bit quiet for the Whitlock research over the past few months. Probably a good thing as I work on the new website. The additions lists for this issue are fairly small. I have continued to work on the Whitlocks of Poland lines to see if we can determine if the families connect to each other. Included in this issue is the Main Line for Peter Lynn who descends from Solomon & Eva (Whitlock) Lipinsky. Unfortunately research in the Ukraine is not as easy as some other areas.

The other Main Line in this issue is for Desiree Whitlock who works for a local radio station here in Chilliwack. We met and got talking about Whitlocks and a few weeks later Desiree emailed me some information she got from her father. This tied into my files and over the next few days we worked her line back to the 1700's and determined her family was from Beverley in Yorkshire. I have added her family onto the WHITLOCK12 chart as "also from Yorkshire". Hopefully with more research we will be able to determine if the families are connected further back. I have included two Yorkshire wills in this issue.

I was interested to receive emails from Jane Curci (X6828). Jane was working on the Whitlocks of Maryland as a present for a friend who descends from that part of the family. She was not able to tell me who the friend was but did pass on our contact information should the person wish to pursue the research further. Jane did send me copies of everything she came across and it added quite a bit of new information for our files. Hopefully one day I will hear from the recipient of this "gift of family".

I am still working on the December 2009 disc from Lawrence Otis and the Browning Genealogy obituary entries shown in R2894 to R2910 are from there. They are images of file cards and in many cases the places involved are difficult to determine. Hopefully I have most of them correctly identified.

You will note in this issue that the additions lists are in a different format. All lists are now in Excel format and will be downloadable from the new website and many will now show family and chart coding.

The photographs include the latest from Chuck Rockett. PH1136 to PH1140 are from the Hilltop Memorial Cemetery in Carrollton, Texas. Chuck has been working on the <http://teafor2.com> site which has 214,103 photographs of gravesites. It is a huge source.

Our certificate collection continues to grow with more South Carolina, British Columbia and Ohio certificates being the latest additions. Most of the other projects I have been working on have been put on hold for awhile - life is just way too hectic but never a dull moment.

This issue is a little different but I hope it has information of interest and you enjoy it.

The mark of Isabell Whitelock

Witnesses: Tho. Jackson, Ralfe
John Whitelock

Our records show Isabell was buried at Topcliffe, Yorkshire June 13, 1609. She was married to George Whitelocke who was buried at Topcliffe September 20, 1602. It is estimated they were married in the 1540's George and Isabell had at least eight children, many of which are named in Isabell's will.

This family is detailed on our WHITLOCK12 chart and is likely connected to many of the other Yorkshire families that show in our records.

The above will is one of several sent to us by Raymond Skinner.

VIETNAM VETERANS MEMORIAL WALL

Chuck Rockett recently sent me an internet connection www.virtualwall.org which is a computerized representation of the Wall in Washington, DC. "The Vietnam Veterans Memorial Wall in Washington DC honors the fallen of the Vietnam War. Relatives and friends leave letters, poems, and photographs there and on this web site named The Virtual Wall ®."

There are nine Whitlocks included:

Donald Benedict Whitlock III (1951-1971) (W09)
Alan D. Whitlock (1947-1967)
Halley Don Whitlock (1946-1966) (W86)
Harry Owens Whitlock Jr (1945-1967)
Ivan Preston Whitlock (1924-1962)
Jimmie Dale Whitlock (1944-1968)
Patrick A. Whitlock (1947-1968)
Theodore Jay Whitlock (1948-1968)
