

# FREDERICK WHITLOCK & JANE HUDSON

On the WHITLOCK42 chart there is a Frederick Whitlock bp.Nov.25,1821 probably Wavendon, Buckinghamshire. Frederick's mother was Mary Ann Whitlock who had banns published for her marriage to Thomas Collins in July 1821 in Aylebury, Buckinghamshire. While no marriage appears to have taken place, it is likely that Thomas Collins was Frederick's father. Mary Ann's parents were Thomas Whitlark & Sarah Lester who were married August 7, 1792 at Newport Pagnell, Buckinghamshire. Mary Ann's family can be traced back to Abraham Whitelark & Margaret Harney who were married in Wavendon, Buckinghamshire February 8, 1726. In the 1700's the family is shown in the registers as Quakers.

Frederick was a chimney sweep, he and Jane had three children but only one survived childhood, a daughter Mary Anne. Mary Anne Whitlock was married to Joseph Keech April 11, 1864 at St.Mary Magdalen, Bermondsey, London and the family eventually emigrated to Canada. They show in the 1871 census for Vaughan, West York Co., Ontario. Frederick and Jane are living next door. The information sent in by Lawrence Otis shows many certificates for the Keech family members in Toronto and while the Keech family appears to have remained in Canada, Frederick and Jane returned to England.

Frederick and Jane show in the 1891 census for Wavendon, Buckinghamshire.
