

LAMBERT LAFAYETTE WHITLOCK FAMILY BIBLE 1865

Dede Green posted an interesting item on GenForum regarding a Whitlock family Bible for sale on eBay. The Bible was printed in 1865 and a picture of the "Deaths" page showed "Lambert L. Whitlock died January 4, 1905". This was enough information to determine that the Bible once belonged to Lambert Lafayette Whitlock born in Hardeman Co., Tennessee April 23, 1832. He married Mary Jane Harkness (1832-1890) March 29, 1857 in Greene Co., Missouri. Other entries shown in the Bible included Mary Jane Whitlock died August 30, 1890 and their son Finis E. Whitlock died June 24, 1900.

Lambert Lafayette Whitlock was the son of Thomas Jefferson Whitlock and Elizabeth Ann Montgomery who were married July 28, 1831 in Missouri. (They were divorced in 1855) On March 6, 1856 Thomas Jefferson Whitlock married as his second wife Mary F. (McCoin) Appleby.

There were other deaths listed for persons we do not show on the WHITLOCK25 chart. Other deaths include Robert Williamson Mooldand?? Whitlock died July 6, 1865, George Montgomery Whitlock died July 7, 1865 and Thomas James Whitlock died October 16, 1866.

I have written to the seller, Michael Taylor of Taylor's Orphanbooks.com and advised him I will place an article about this Bible in our Newsletter. I have also requested copies of the "Births" and "Marriages" pages of the Bible if he is willing to pass those along to us.

Anyone interested in this Bible can find it by going to <http://genforum.genealogy.com/whitlock/> or by going directly to eBay. The seller is asking \$149.99 for this book.
