

My husband's family came near
four yrs - at West Harsham
I have these dates: His Grandfather
James Whitlock - born June 1st 1817
his wife was named Caroline (Born 1822)
they had 8 children only 2 living
~~it~~ to be over 23 - my father-in-

law Charles & Frank his brothers.
The names of William, George, Charles
& Henry seem to never in the
family.

I do not know if James
Whitlock was born there but
they lived there a long time
I think & someone thinks they had

a small farm there.
There is a tombstone just
in front of West Harsham Church
to 2 young Whitlocks of the 1860's
which ~~was~~ I think were 2 sons
of the last.

We would be interested
to know, if ~~you~~ ~~know~~ if
you had any relatives
at W. Harsham in the 19th
Century.

Yours sincerely,
Elise Whitlock.
