^{WR⁷²} GEORGE W WHITLOCK ^{NOW 84 YRS.} TO VICTORIA 1905' FROM LANCASHIRE

ONLY CHILD

SEVERAL BROS + SK.

^{WR⁷⁴} ROBT. G. REG. M.V. 3505 JAMES HEIGHTS VICTORIA

SON GEOFFREY APPRENTICE CA. ABOUT 30 YRS
came into Doreen's office last week to audit
the books, so DO. collected above.

That's not only the good news its all the
news. I did a search out at ABC for the Bible
Christians - nothing, also at main Van Lib -
nothing. Somewhere I heard that Langtree church
was blown up during the civil war so I
read a book on the civil war campaigns in
the west, the Rolle family was prominent
on the side of Parle. Most of its action was
around Exeter + on the road west to Cornwall
which was heavily royalist, most of Devon was
neutral unwilling to make a decision.

cheers
Willy
