Dear Mr Whitelock.

I must apologise for not replying to your letter sooner, the reason being that I have been endeavouring to unearth some information regarding my ancestors.

I have, unfortunately, been unsuccessful, and would be interested to know if our families are in anyway related.

I was born in CILFREW, NEATH, S. WALES on the 4/5/1917.

My father was William Elias Whitelock born 26/12/1874 in TONNA, NEATH, S. WALES.

I have a brother, Elvet, who has been living in Tacoma, Washington for seventeen years and is now a naturalised American citizen, his address is 6442 South Prospect St. Tacoma, Washington, U.S.A.

Yours faithfully,
John A. Whitelock.
