

Whitlock

Film Number 000-735  
Genealogical Library S.L.C. Utah

Whitlock: The name is of Saxon origin signifying "Fairhair." There are two family traditions: — that our ancestors came originally from Scotland, having lived near White Loch; Second that the name was given because of the tendency in the family to have a lock of white hair in the front of the hair early in life. My grand'father had and so have some of the family to this present day.

History of the Whitlock Family: compliments of Grace L. Brush march 5, 1931 BR No 24. Whitlocks settled first in New England from there to Long Island New Jersey and at the time of the Revolution they were living at Suffolk Co. N.Y. Momouth Co. N.J. Kingston, N.Y. and Germantown New York by G.L. Brush 385 Clinton Ave. Brooklyn, N.Y. May 1930 The Whitlock name is English and has a derivation from the Scandivnation diety. A prominent person of this name in the 17th century was Sir Bulstrode Whitlocks he died in 1676 at Wiltshire, England.

Thomas Whitlock of Middletown, N.J. in 1667 born 1620 died 1703 N.J. had sons Thomas, William and John Whitlock and daughters, Sussanna, Sarah, Abigail and Rebecca Whitlock all children by his first wife Sussanna Stock whom he married in England.

William Whitlock son of Thomas and Sussanna (Stock) Whitlock married Katherine Dorset 1669.

Note-

( My Mother Pearl Belle Goss daughter of Vanda Ann Whitlock had a white lock of hair down the back of her head that was there all her life. I remember her trying to comb her hair so as to cover the white streak in the back. Laura Blanchard Simpson )
