Dear Mr. Whitlock,

I had a letter in the mail the other day from a Mrs. G.G. Ross of Melrose, Fla. giving me your name and address. I wonder if you would be able to help me genealogically.

I have been searching for years for information on my Great-Grandmother Elizabeth B. Whitlock -born 1828, New York, and her parents-both born Conn. Mother Cinthea ? Father ? Whitlock. ~~WEA 81~~ ^{WC2}
 This information per U.S. Census 1860 Hillsdale County, Michigan. ^{WE#2}
 A special 1894 Census shows Elizabeth stating she had lived in Mich. for 59 years and was 66 years old at the time.

I do have a copy of the record of her marriage to Josiah Coleman on 3 July 1851 which I will send to you if you care to have it.

I have also read the book "Katonah, The History of a New York Village & It's People" by Francis R. Duncombe but cannot find any mention of a Whitlock man marrying anyone by the name of Cinthea. Katonah had been called Whitlockville after the Whitlock families.

Any information you can give to me will be GREATLY APPRECIATED.

I have visited Toronto and Woodstock several times because two branches of my family come from there and I love your country.

Sincerely,

Mrs A.W. Hasselmann
