Dear Peter,

If you subscribe to the Genealogical
Helper you probably saw the ad which
appeared in the Jan - Feb 1980 issue. In
case you don't & didn't see it
my from: Robert Whitlock,

726 Dean St.,

Kennett Square, PA 19348

Morris Burr Whitlock, d 18 Feb 1913^d
son of Matilda Burr Whitlock; S. Loran
Whitlock, b. 6 Oct. 1875, Ridgefield,
Conn. d. 3 March 1935. Need info on
Whitlock family.

How is everything with you? Vera
seemed very glad to hear from you and
that is a compliment. I have the
impression that she thinks of all us
"colonists" as a tad dense.

If you can't fit the article about
your family into your schedule for

June, September would be fine. If you can't fit it in at all, don't worry about it, just let me know.

Believe it or not, I realize there are things more important than genealogy.

I hope you enjoy the newsletter. If you spot any errors, please let me know. We can't be perfect but we can make corrections.

Let me hear from you when you have a chance.

Best regards,

Gene
