Note to P.M.W. In 1976 I wrote ^{do} the above dis of NARS about a surveyor mentioned on a map in the records of the Office of the Chief of Engineers, Headquarters map file, Roads 29, National Archives Building. The map was made during a survey... of the Cumberland Road from St. Louis to Jefferson City [MO] drawn 28 November 1739. NB

The Navy and Old Army Branch + NARS had nothing either. They searched DAB + "guides to manuscript collections outside the Ntl Archives without success as well. NB
