Dear Peter -

I joyfully send you the enclosed family charts - for my great
gr. gr. grandfather Abel WHITLOCK and gr. gr. gr. grandfather Robert which
I found in Library of Congress ^{#16217} CS 71881-1880. STEBBINS. An inquiry into
the heirs of Maria Stebbins ... her two grandfathers, Theophilus Stebbins and
Robert Whitlock ... ^{being a list of their descendants to living representative in each branch.}
A. S. Wheeler, comp. - N.Y. - P. Eckler. 1880. 20 p. Microfilm
NAT-6

I don't know what the outcome was but the poor lady, daughter of Cusi
had not paid taxes on property in Brooklyn for years so the land would have had
to be sold at auction.

I do hope you have more. Able's wife is not mentioned at all and
great great great grandmother only as Susan.
Best wishes for a happy summer.

Affectionately
Rose-Louise Ross
