I do a lot of work with my Historical
society Wese County Texas. I do wish
to put out a book on a small town
in Texas that is no longer there. I
have material in other books on the
family but mainly it is listing of the
old ones to Texas. Whitlocks never
came to Texas only descendents.

my great grand father was put
in a mental int when he was 84 years
old he told them his parents names.

His mother was Telitha Whitlock Vess
so I feel certain that is correct info.

She lived most of life in Jascalosa
Colbert County Ala died after 1893.
I have a lot of reseache yet on her &
husband Wilki's VESS. I am happy
you have a clearing house for Whitlock
