Dear Peter -

Just a quick thank you for the latest information laden letter from Coquitlan. Part.

Sorry I neglected to give you the names of Abel + Catharine WHITLOCK's children - that is, all who were living in 1850 - (from the Stebbins/Whitlock case.)

 Abigail (BOVRE) " Union Mills, Fulton Co, N.Y.
 George W - wds " Dwight, Livingston Co - IL
 Eliza C (ODELL) wds - Sank Center, Stearns Co - MI

Jeremiah died 1874

Lenison " 1860

Hiram " 1859

copy 16 Robert was the only child of Abel & Catharine living at home in 1850 U.S. census - Broadalbin, Fulton Co, N.Y. He is recorded as being born in N.Y. state, also Abel's wife Catharine born in N.Y.

I'll copy these newer pages next week. I must also check some earlier New York censuses for Saratoga county

Oops - I have 1840 - p. 225 Saratoga.

WABE-3

1 m. under 10	This was in an index and some categories were "omitted due to lack of space, therefore these entries are all "incomplete." (!)
3 m. 10 to under 15	
1 m. 26 to 44	
1 f. under 10	
1 f. 10-15	

Robert p. 274 — see enclosed.

Have asked NARS - census records section to send me some more request-for-copies forms so I can ask for the Saratoga entries. Look for them next December! We have a new head of National Archives but he may not survive the election.

Thank you again. Hope you're settling in well and that Meagen enjoys her new school.

As ever
