

either, but I should think
Doris Spencer would know.

We went to Salt Lake City
on our holiday and went to
the Mormon Square there, and
we went to the Tabernacle
for an organ recital. Believe
it or not some of the music
was composed by a Percy

Whitlock, in fact our Church
Choir has anthems of his
that I have sung. It was sure
a thrill to hear that music
on that wonderful organ.

I think that book you got from
Salt Lake will have the
information you want, about
the English Whitlocks. I hope
so, anyway. Hope everyone is
keeping well. We are O.K.
except for my arthritis. We have
had a lot of damp weather
which is not good for it.

Dear Peter,

I am sorry to be so
long answering your letter.
The Postal Strike, was the
first thing that held me
up, and then we went on a
Holiday and had an accident
while away, not serious to us
but it was to the one that
caused it. Then come back
and found out we had two
weddings to go to. One was
my son Walters daughter
Doreen. She is now married
to Timothy Robin Forsythe.

The wedding was Aug. 19, 1981
So you see I have been busy
I have another great granddaughter
Walters son Douglas and wife
have Patricia Nicole ^{Walters} born
March 17, 1981. I don't think
I let you know before.

You want to know when
Violet (Butler) was born, I am
sorry to say I don't know
