Searching for baptism c.1796 of Samuel LOWE/LOW/LOE and his marriage to Mary X and his second marriage to Elizabeth X. Resident in Walton on the Wolds from 1841 and stated he was born there.

William CHARLESWORTH married Sarah PRICE of Shepshed in 1819. Sarah was already the mother of James CHARLESWORTH b.1806 and John CHARLESWORTH b.1807. Evidence required to prove theory that William is the father of these illegitimate sons. Where was Willm bapt ?

Marriage wanted of Frederick BASELEY to Emma NILLIS c.1870 - occupation bricklayer's labourer. Also baptisms wanted of their two sons James and William.

P.S. According to Leicester Marriage Index, a Saml LOWE married an Elizabeth CLAY at LMG in 1825 - any good ? Ed.

I am interested in finding the family of Thomas GANT or GAUNT who was transported to Maryland in 1654. He named his plantation 'Bulwick' after the parish in Notts and as a commissioner for laying out the port-town on the Patuxent he named it Nottingham.

Since sending you the story of the Deerfield Massacre and the CATLIN and CORSE families I have found some material on them: the parents of the John CATLIN who died in the Massacre were John CATLIN (b.c.1617 in England) and Isabel WARD (b.England). Isabel had two brothers George and Lawrence who came to Connecticut c.1638/39 and possibly Isabel came with them although she is not mentioned in the passenger lists we have. John CATLIN married Isabel WARD c.1641 in Connecticut.

The parents of Mary BALDWIN were Joseph BALDWIN & Hannah WHITLOCK, married 10 Nov 1636 at High Wycombe, Bucks and Joseph's father and mother were Richard Baldwin and Isabell X.

I have obtained all this information from a book called The Catlin Genealogy, published in 1981, but since I have found some errors in it comparing it with other sources, I would be most grateful if anyone can find any further information which could verify it.

As my DENT grandfather, gt gfather and gt gt gfather were all Game-Keepers or Park Keepers for the Belvoir Estates, I would be interested to know if any member has come across any records of the Estate. I believe the Duke of Rutland still holds a large number of records. Has anyone had access or, 'is there a way?'

A will of 1867 mentions Joseph Moseley BURCHNALL having died and left three children. He was born at Narborough c.1815 and lived in the area. Whom did he marry? Who were the children and where did the family live ?

Interested in any information on John HICKLIN 1723 and his wife Sarah (PLATTS) both of Breedon who married in 1753 at Ashby de la Zouch. Also John HICKLIN and his wife Elizabeth (ABBAY) married 1750 at Ashby, possibly both of Breedon. Details of their issue or parents would be much appreciated.

A Bishop's Ancestry

From BM add MS 9422 ff 167-169, letter of Jas. Satterthwaite to Daniel Lysons 25 January 1815:-

"Weary Hall is now in the possession of a family of the name of Drewry. The representative of the Porters now resides in Wigton, is an old man, a widower & without children. The present Bishop of Clogher is of that family".

Turning to Haydn's "The Book of Dignities" we find, on p.596, that John Porter was Bishop of Clogher 1798-1815, having been translated from the see of Killala. Turning to p.613 we see in the list of Bishops of Killala and Achonry that John Porter, Chaplain to the Archbishop of Canterbury, was consecrated in 1795,
