Dear Mr. Whitlock:

I'm sorry if I mislead you. I don't have wills for either John Whitlock. A correspondent, giving no reference, wrote me that John Whitlock born 1568 had a will 7.16.1614. That is all I know there.

Savage has a John Whitlock died at Fairfield, CT 1658, Inv. Oct 1658. He left a wife and several children among them a John.

I am enclosing my one page on the Whitlocks. Also a copy of the will of Rose Whitlock Parker, keep it.. I don't know if any of this will help you. I don't know Rose's birth date. I don't know where you got 1614, I did not give it to you.

Looking over your chart of the descendents of Abraham Parker, Ann's husband, Nathaniel Blood was born April 1650 and died after 3.8.1720. He was son of Richard Blood born 1617 died 12.7.1683 and Isabel (? Wilkinson) whom Richard married ca 1647. I have the Livemore family also. Martha Livemore must have been the third generation, She is not daughter of the emigrant John Livemore (1604-1683) and Grace Sherman.

I don't know from where the Whitlocks came. Nicholas (1) and Abraham Parker/were born ~~North~~ Marlborough, Wiltshire. (2)

I'm an indexer for CSG ancestral charts. A number of members have Abraham and Rose Whitlock. Only a couple give Rose's father as John, no more and nothing earlier.

If there is any other way I can help, let me know .

Though you are at the border, please use a Canadian stamp. I have a little friend who has a passion for stamp collecting and I was delighted to hve a Canadian stamp to give him.

Best wishes.

Sincerely

Margaret Brinkhoff
