Dear ELIZABETH,

I bought this Wordprocessor as a present to myself for Christmas I have not mastered it yet but it is so interesting. I have 9 grandchildren so cannot let them beat me,

they all use computers as soon as they start school these days I will list below my interest in the WHITLOCK,S and also add a note about the BAYTONS in AUSTRALIA

My husbands mother was a Sarah Hockey from Whitney in Oxon. her father CHARLES HOCKEY was born 1811 in MONTECUTE in SOMERSET and her mother was ELIZABETH KNIBBS 1809 in WITNEY. I think it is the Witney connection most likely to lead to the WHITLOCKS. ELIZABETH,S father was JOHN KNIBBS 1783-1829 and her mother SARAH BERRY 1784-1865. JOHN,S father was again JOHN KNIBBS 1751-1802 he married in 1782 either ELIZABETH HOLLIER or ELIZABETH LONGFORD.

I have in my possession a prayer book presumed to come from this family in the front it has the name THOMAS WHITLOCK 1755 and then THIS BOOK GAVE TO ME BY MY MOTHER MARGARET WHITLOCK FROM MY GREAT UNCLE ANDREW WHITE GENT JUNE 3rd 1755 THERE FOLLOWS A COUPLE OF PRAYERS THE LAST DATED JULY 1758 At the front of the book and upside down is the very flowing signature of ANDREW WHITE almost like an initial in front of the ANDREW the date 1681 At the top of the page is Commandments and then in an elaborate curl and so small I cannot read, a lot of writing. I will enquire about this at a specialist Library but I think it is some sort of shorthand writing of those days of the Commandments

The BAYTONS are again Peters family but on his mother,s side I have their tree at Kingston Surrey from the 1700,s RICHARD BAYTON moved to London and married POLINA ELLEN SUSANNAH WHITTAL in 1854 and it was their two sons RICHARD BAYTON who married ELIZA JOHNSON in 1882 and WILLIAM THOMAS BAYTON (called THOMAS) who married ELIZA AGNES CLAYTON IN 1881 who went to AUSTRALIA

I think they went separately Richard and wife first and they settled in MELBOURNE the other brother later joined him but then went to WOOLLOONGABBA QUEENSLAND where they had a Boot Manufacturing business .

I would be most pleased if you could tell me the dates of their arrival in Australia I have had quite a lot of information from them but never that.

I hope you find all this interesting.

Best Wishes  
Elise Sims
