William Troup & others (of which Solomon **WHITLOCK** is one)

To his Excellency Thomas Carlton Esquire  
Captain General and Governor in Chief in  
and over the Province of New Brunswick  
&c &c &c

The Memorial of William Troup for himself and others.  
humbly sheweth

That they have had the honor to serve His Majesty in the  
Prince of Wales American Regiment during the whole of the  
late war, and came to this country with intention to become  
immediate settlers.

That unable to obtain lands agreeable to the  
encouragement held out by Government they have hitherto been  
living as tenants to others; but wishing to avail themselves  
of the advantage pointed out by Your Excellency they have  
examined and find several vacant lots in the Tract located  
for the disbanded of the 42<sup>d</sup> Regiment, and a Tract likewise  
vacant on their upper boundary. And as Memorialists are  
ready, willing and determined to settle so soon as  
authorized so to do.

They request Your Excellency will be pleased to grant them  
licence of occupation or other authority to occupy and  
improve the said vacant Lots of land adjoining their upper  
boundary, with a more extensive front than is allowed to  
lands more eligibly situated, and as in duty bound they will  
ever pray.

The Memorial of Solomon Whitlock

Humbly Sheweth

That your Memorialist came to this Country with the  
late Prince of Wales American Regiment in the Fall 1783, in which  
Corps your Memo<sup>t</sup> served His Majesty seven years as a Non-commisioned  
Officer.

That in consequence of the Regimental Block allotted  
for the Corps being so great a distance from Inhabitants, could not  
settle therein, and has had no land Granted to him as yet.

Your Memo<sup>t</sup> therefore humbly prays Your Excell<sup>y</sup> will be  
pleased to order a Survey for him & Family of three hundred Acres of  
Land with the usual Front, laying Between Lott N<sup>o</sup> 1 occupied by  
Mottross and the River Nashwake, on the Penyock Creek -- and Your

To His Honor Major General George Stracey

The Memorial of Solomon Whitlock, a man with  
a large Family --

Humbly Sheweth,

That in the Month of February 1788, he was registered  
for two hundred acres of Land with the usual front, adjoining  
next below the lot number one, allotted to Peter Montross, on the  
Pennyack.

That in the Month of October, 1804, he purchased from a  
Wiliam Harris, for a valuable consideration, a lot of two hundred  
and eighty acres, more or less, adjoining the above mentioned  
lot, Westerly. That neither of the said lots have ever been  
granted; and that he has made very large and valuable  
improvements thereon.

He therefore most humbly prays that a Grant of the said  
lots may pass to him, to extend across the Pennyack  
Stream or River, so as to embrace his improvements on  
the North and South sides of said River, together with  
such further allotment in the vacant Gore adjoining, as  
Your Honor may seem meet, he being fully capable of  
complying with the Royal Instructions respecting the  
Settlement of Lands.

And as in duty bound will ever pray

Shadrack Ward & others (of which Solomon Whitlock was one ?)

To His Excellency Thomas Carlton  
Esquire, Captain General and  
Governor in Chief in and over the  
Province of New Brunswick  
&c &c &c

The Memorial of Shadrack Ward late adujcant in the Prince of  
Wales Am: Regiment in behalf of himself and nineteen other  
persons, all of the said Regiment

Most humbly Sheweth

That they are the persons whom your Excellency was  
pleased to authorize to take possession of the vacant Lots in the  
location for the 42<sup>d</sup> Regiment as well as the unoccupied lands in  
the vicinity of the settlement.

That they accordingly, cheerfully and thankfully by  
virtue of such authority repaired to that part of the country,  
but to their great mortification cannot discover any marks  
sufficient to point out the lots. --

That it will be a great detriment as well as the  
greatest disappointment to them, if they are prevented from that  
circumstances, settling on their lands this fall, as they are  
otherwise totally unemployed and unable to be at the expenses  
that will attend the survey, as well as unaqut: with the mode.--

Wherefore Memorialist humbly entreat Your Excellency  
will be pleased to direct that the lots may be pointed  
out, that they may take possession of them this fall as  
in duty bound they will ever pray.
