

Dear Mr. Rockett

Sorry this is all I have on the older generation right now.

Just this week found a J. K p. and John, J.M. and a William K. served in ~~35~~<sup>45</sup> Inf. Confederate Army . Will take time to research see if it is our family.

Please send me a sketch of your family tree.

I keep all the information I get from others and have been able to help others in their research.

All or most of the Whitlocks had large families.

Will share what information I have on the later generation if you want it . It is quite lengthy.

MY parents had 10 children.

Will appreciate all the help I can get.

Thanks

Nettie m. Thompson
