Dear Chuck,

I'm sorry for the delay in answering your letter concerning Whittlock family. For the last ten years, I've researched different lines of my family and find none more frustrating than the Whitlocks.

my great-grandmother Martha Mary "Molly" Whitlock married Thomas J. Adams (Pike County Missouri
she was born May 5, 1852 January 16, 1901 - ^{Cumberland} Pres. Church
Died July 30, 1920 buried Mt. Zion Cem., Pike Co. MO

Her Parents: Thomas C. Whitlock (1812 - 1882)
born in Virginia - died Pike Co., MO
and

Bertha ANN Harris 7 JAN 1845
also born in Va.

They came to Missouri in 1850.

Siblings: Cullen born Va. 1846
Thomas Edlow " 1847 (Probably born in Richmond)
Mercer " 1848
James Luther " 1849

I have looked Will & Obituary of Thomas C. and also found family in 1860 census of Pike Co. My family members have been able to contribute information about more recent generations but otherwise I have no clues to Thomas & Bertha.

This will, I'm sure, be of little relevance to you but perhaps you can assist me. If so I would greatly appreciate it. Thank you.

Sincerely,
Shirley Case
