Dear Mr. Rockett:

If you will send me a summary of your particular WHITLOCK interest, I will keep a look out for you. It seems that the Whitlocks intermarried on several occasions with my DICKEN family.

SEE WJ283

Louisa Co., Va Wills Bk 2, p. 277 - Will of Thomas Whitlock. Brothers & sisters: John Whitlock, William and Euclid Whitlock, Frances Dicken, Elizabeth Dentry, Molly Dicken. To my brother John Whitlock, all my estate should be survive me and line to return from the present expedition, but if not between my <sup>other</sup> brothers & sisters viz: William & Euclid Whitlock, Frances Dicken and Elizabeth Dentry and \$10 ~~to~~ to my sister Molly Dicken. Exors, brother-in-law Joseph Dicken. Dated 10 March 1776. Sgn. Thos. Whitlock Wit: Richard Bloyson, Joseph Dicken, and David Dentry. Recd. 10 March 1778

Both Joseph Dicken and Norment Dicken seem to have married Whitlocks. If you know of any other connections of Whitlocks with Dickens, I would like to know. Also, are there any marriages of Whitlocks to persons with the surname Norment or Perrin? (pg 63) 56

Best of wishes,  
Ivey E. Young

P.S. I'm a Dentry descendant too, but not from David Dentry.
