Dear Peter,

Thank you for your letter and information Tarlton Whitlock etc.

Ruby Pantalone of Salem, Oregon has told me I need to write to you again. Since I am new at this Family Research, I didn't know exactly what to ask for, so I will just say, "Everything you have on Tarlton" (I know you have sent me some info.) and "Missouri census records pre- 1880".

I do wonder why the birthplace's aren't listed in your computer printout? Also,

- 1. Do we know where Tarlton & Winifred were born?
- 2. Do we know if they moved to other states before arriving in Missouri?

I need to make some corrections on the information I sent you.
