

These pedigrees are not printed in book form yet, they are in the process of putting them on microfilm for the Mormon Library

This is a hand extract from the pedigrees. I do not have access to the originals. No sources are listed in any pedigree.

Numbers on this pedigree are Michael Cella (like #35-78-akt). He has made family group sheets for each family.

PEDIGREE CHART

Items on this pedigree seem to agree with our other resources - so pedigrees he used some of the same sources as we have.
