Peter,

①

Romeo Whitlock - Certificate of death

NRM1
NAF4

Gives John Whitlock as father. Maybe John Adolphus Whitlock?

Birth place - Tennessee. A.D. Whitlock is in 1860 McDowell Co., NC. Census with a son (Ransom?). This is probably Romeo. 1880 Coker County, TN Census gives NC as birth place of Romeo

②

Nancy Whitlock - Certificate of death

Place of birth - Coker Co., TN. The 1870 Jefferson and 1880 Coker County, TN Census gives NC as place of birth.

③

Note: 1870 Jefferson Co., TN - K. Jackson Whitlock 45
1880 Coker Co., TN - Jack Whitlock 50

In 1880 his brother John age 30 is listed in household. In 1880 Jackson was living in house beside of A.D. Whitlock.

④

Wonder what connection A.D. Whitlock is to the Roane County Whitlocks as he was in Roane County, TN in 1870? Why back to Coker County, as he probably came through going to Roane County?

I did not write it down, but when I started researching someone told me that Romeo and Nancy Whitlock was cousins. I don't remember who told me.

I am enclosing family group worksheets. Maybe sometime I will run upon some information that will answer my questions and put me a generation or back in the pass.

* Has the William and Nancy Whitlock family of Fox Squirrel District, Rutherford Co., NC ⁽¹⁸⁵⁰⁾ been researched?

Thank You,
Benny Hensley
