Nancy Whitlock had a sister called Sally and she married
Mishu Moss another sister named Jane and she married
Bun Lewis (Bun + Jane Lewis were the great grand parents of
John C. Clark maybe Bob Clark can help you there).

I don't know much about any of Mother's people except her
brothers & sisters but Gula Evans' grandfather on her Mother's
side was Nancy Whitlock's brother they say

There was an Uncle named Calvin, but Mother always called
him uncle Cal & he lived in North Carolina I don't know
if he was Nancy Whitlock's brother or Romeo's brother

Hope you luck on this, I didn't try to run any thing
