Thank you very much for the information you sent.

In researching the 'worley' name, I came across a marriage between Louisa worley ^{WJ584} & William Whitlock, Paddington, 1888 (10.69. June:1888). Louisa being my Gt. Grandfather's sister. They are on 1891 census living at 193, Walmer Rd, Kensington. William Whitlock, age 24, a paperhanger from westbourne Park. Louisa Whitlock, age 23, a laundress from Nottinghill & Elizabeth wells, servant, age 14, also from Nottinghill. (RG12-23-114 - PA:9).

I have another 'Whitlock' family on census, 1861, living at 3, Brindley St, Paddington. ^{WJ100} Thomas Whitlock, age 36, a labourer on Great Western railway, from Clifton, Elizabeth Whitlock, age 32, from Northamptonshire, Martha A. Whitlock, age 4, from Paddington, & Benjamin Whitlock, age 2, from Paddington. (RG9-1-83-PA:75). I have, as yet, no connection between these families, but am still looking! If you know of a link, perhaps you would let me know.

Yours sincerely
Mr. Colin Worley
