Dear Ms Fellows

Thank you for your letter of 19 March and enclosed international reply coupons.

An Ann Whitlock, daughter of Thomas Whitlock, was baptised on 14 December 1617 at Barnet. Ann and Hannah were interchangeable names, so it is possible that she is your ancestor. The entry was found on the International Genealogical Index for Hertfordshire. I also note from the Allen index of Hertfordshire marriages that Thomas Whitlocke married Joan Boyer in Harpenden in 1614.

I hope that this has been of assistance to you.

Yours sincerely

HT
