Dear Mr. Whitlock,

WL30  
MCA/66

Thank you for your letter concerning permission to use the picture of Lt. Logan T Whitlock shown in SURRY COUNTY SOLDIERS IN THE CIVIL WAR. You certainly have our permission to use it provided you give its provenience, especially the name of the artist, Lessie Brindle.. We are pleased that you wish to use it.

Your newsletter is most interesting and your list of charts and files impressive.

I will try to send what we have on the Whitlock family in Surry when we finish a project we are presently working on . Please remind me if you want the Surry information.

Sincerely,

Hester Jackson
