Peter,
Ohhhh, Thank you for your input and offer. Turner ROUNNTREE,
was a brother to my Dudley ROUNNTREE, married a WOODSON. BUT
the most exciting thing is the possible connection of
WOODSONs and RICHARDSONs in VA - instead of further on in
time in KY!!!! RICHARDSONs and ROUNNTREEs both ended up in
Barren Co., KY. I'm excited! address above. Will gladly
reimburse copy/postage costs. Do you need anything from
Maine?

ps. Vancouver, BC and Victoria, BC are two of my favorite spots on earth. I
grew up in Portland, OR and made many trips as a child up
to BC on the ferry. I later taught school in OR and did a
lot of research on early Native Canadians and the people of
the Totem. I loved the museum in Victoria.
