Dear Mr. Whitlock

I called and spoke to you on Saturday, 18 January about SARAH WHITLOCK and THOMAS EASTIN. My name is June Sandberg (Mrs. Arne) and I live in Cody, Wyoming.

Mr. William K. Whitlock of Mechanicsville, PA. gave me your address and phone number. He told me that you are very interested in Virginia Whitlocks. As you can see my Eastin/Whitlock line (if proven) are from Virginia.

My Eastin/Easton line is proven through RICHARD EASTON/EASTIN and ELIZABETH HEATON. I have been told that his probable father is JOHN EASTIN (a son of Thomas and Sarah (Whitlock) EASTIN. BUT I can not find the proof needed for me to be connect to this line. I wonder if you have any information that might help me?

As you can see by the old "Eastin" newsletter that I have enclosed, THOMAS and SARAH were in VA. and seemed to have stayed there. According to the newsletter THOMAS died c. 1793 and SARAH (Whitlock) died c. 1785.

As you well know, it is hard to follow a woman's line, and there are lots of Sarahs in the Whitlock line.

I have also enclosed a family group sheet on THOMAS EASTIN and JOHN EASTIN. JOHN was in the Madison Co. Ky. area as early as 1789 and died there c. 1837 according to records given to me. I can not find a death record but tradition states that he died near Maysville, Ky.

RICHARD EASTIN (mine) and ELIZABETH HEATON were married in Bourbon Co., Ky. in 1803. So both JOHN and RICHARD were in Kentucky very early.

Any ideas on how I can prove that JOHN is RICHARD's father?? Thanks for any help you can offer.

Sincerely

*June G. Sandberg*
