Hi Peter:

It's me again with some changes to your descendency chart. On page 4, the children of Malinda Cox Hodges should have the last name of Hodges (they show Cox now). Her son, Samuel Asberry Hodges died in 1962 instead of 1922. Her daughter, Minnie Lee Hodges, married Pete Jordan who was born 27 March 1876 instead of 1886. On page 5, Malinda's children Jessie Mabel, Robert Hubert, and Bessie Mabel should also have the last name of Hodges.

Also on page 5, Wilburn Wylie Cox (N5) is on the line with Malinda Cox Hodges second marriage. The children of Sallie C. Cox who married William R. Mathis should have the last name of Mathis. They have Cox now.

On page 6, the marriage date of Mary Bentley (L7) to John Woodel is shown as

On page 6, the marriage date of Mary Bentley (L7) to John Woodel is shown as Mary's date of death. Also the marriage date of her brother, Andrew J. Bentley to Sarah Farrice is shown as his date of death.

Those were all the changes that I found. What a lot of work for you! Do you know of anyway that I can help you with the female Whitlock marriage register? I'm very willing, if it's possible. If nothing else, I can keep a register beginning now, and send you updates periodically. Would that help? Of course, all I have now are the dates shown in the Douglas Register but I'm willing if you see that it would benefit you.

Cheers,

Louise
