Dear Mr. Whitlock:

I am writing to inquire whether you have any information regarding the family of Thomas Alford Whitlock, who was born about 1850 and who eventually settled in Oklahoma. We believe, but with no firm evidence, that he may have been from one of the other southern states.

We understand that there is little chance of your having information on this individual but nonetheless wanted to inquire. Along those lines, though it may be of little interest, I am enclosing an outline of the descendants of this Thomas Alford Whitlock.

Sincerely,

*Please let me know your expenses / fees and I'll
send a check. JW*
