Subject: Harvey Luther Whitlock

Hi Peter,

Your letter made me very happy . . . I am glad that I could contribute something to cause other folks' enjoyment! Thank you!

I'm sending you this note mainly because I ran across an entry for Harvey L Whitlock in 1880 Alligator Twp, Chesterfield Co., SC as a 23 y.o. farm laborer in household #156 of ?Maloy Long. Next door is a William Robinson, 36 years, farmer with his family. I don't recognize the William but surely the Harvey L is H. D.'s son . . . your correspondent, Paul, has probably seen this but, in case he hasn't I thought I'd send it along. Alligator Twp is a bit off the beaten track for Union Co folks . . . thought it was interesting.

I got the estate papers for Harvey Duncan . . . pitiful! Horrible copy and a lot of repeated signature pages . . . I need to copy and send it to you . . . keep forgetting. The check I sent for Harvey and Bennett was not enough, so they sent Harvey and told me to send more \$\$ for Bennett, which I didn't do because you already sent me what I am assuming are the only records . . .

No need to respond . . . I know you are busy. Just keeping in touch.

Barbara Roesch PS If anyone is interested in contacting me, please do make my email and regular mail address available to them. Thanks!
