Dear Sir,

My name is Becki Heise and I am researching my Whitlock ancestors. I am not having very much luck at it. I can only find back to a 1870 census in Rockingham County, Virginia. I have information off census records and deeds which I can only assume is correct. I am enclosing two family group sheets, one for Pleasant Moses Whitlock and one for William Henry Whitlock. Below is a tree to me:

```

Pleasant Moses Whitlock (abt 1826-1900) d Virginia
      |
William Henry Whitlock (abt 1848-1915) b. Virginia d. PA
      |
Martha Anne Ray Whitlock (abt 1882-1949) b. Virginia d. Maryland
      |
Margaret Francis Mickley (1909- ) MD
      |
June Charlotte Williams (1934- ) MD
      |
Rebecca Janai Haddock (me) (1969- ) MD
      m. Heise

```

I have looked at your web site and it said you are a clearing house for information. I would greatly appreciate it if you could see if any of my information coincides with something you have and then letting me know. My email address is bjhjmh@aol.com my home address is as follows:
