Dear Mr. Whitlock:

I received your name and address via the internet last night, after sending several genealogy inquiries about the name Whitlock. I am hoping from what I have been told about your vast amount of knowledge on the Whitlock family that you might be able to help me.

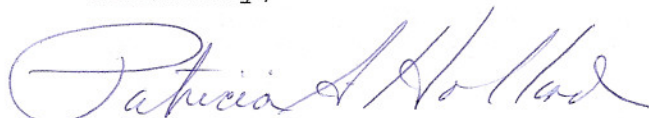

I am trying to find information on Sara (Sallie) Whitlock, she was married to Samuel Madison. They had a daughter Jane Ann Madiosn who married a John Gilliam Pavy on 18 June 1836. Jane Ann and John were married in Caroline Co., Va. I do not have any further information of Sara than, in the Providence Baptist Church records, these children are also mentioned James, Joseph A. and Cassandra Madison. I would like to have dates, parents, other children.

Yesterday, in the Caroline Co., Va Land records I found a reference to Sara Whitlock's land in the year 1788. In 1789 and 1790 the listing is for Sara Whitlock's Estate. This Sara is too old to have been Jane Ann's Mother, but it is possible that she was her grandmother.

I believe that Samuel Madison's father was Ambrose Madison who died in 1818, or George Madison who died circa 1827. George owned property in Kentucky, therefore Samuel may have met Sara in Kentucky or Virginia.

I'm afraid this is all of the information I have on Sara Whitlock. Can you help me?

Sincerely,

Patricia A. Holland
