I am anxiously awaiting your next e-mail. I have not been able to find out much on the Whitlocks. I do have a temporary file which I have started to save things on the Whitlocks, I will send you a copy below, since it is so small. Anything that you have on the Whitlocks in Caroline County I would be interested in receiving. Possibly they connect in another way also. I am working on quite a few family names, since most of my mother's people are from Caroline Co. Thanks for the reply. I hope there might be something new in the material for you.

40%you.
