Peter:

I'm taking some holidays before I return to work in September, but will gather together a disk and any other material I think would be of interest. My mother Evelyn Whitlock is a sister to Clifford Whitlock. I wonder if he is the same one that you mentioned in your e-mail. I vaguely remember his going to England, but as he was an extremely quiet man I never knew he was either interested in genealogy or had any information on hand.

Will get back to you later with my list of items I would like to have.? Help
