I thought you might be interested in this response I received to an inquiry. He may have some information that may help other Whitlock seekers in Ga.

I assume you received my packet of documents and pictures. An elderly niece of my grandfather sent me a few more old pictures and provided the name and dates of birth and death of my gg grandfather's Thomas W. Whitlock first wife. I only had her first name on documents. She was

Mary Robinson..B 1857 d Dec. 12, 1882.

Hope this little bit of information will be of help

Vol. He was married to Mary Robinson who died at age 25 then married Sarah Pearl Nail. He and Sarah Pearl lived in Fayette, Ala. in early 1900's. Is there any connection to your Whitlocks. I think his father was John who married Sarah but not verified if true. If you think there

Ann,

Thanks for your e-mail and sorry I haven't gotten back to you sooner but I've been in AL for the last few days.

Yes, I would like to know more about your Whitlock line.

Yes, I would like to know more about your Whitlock line.

Some info I have from Janet Thompson Casey indicates the same about your great grandfather being the son of John Whitlock b. ca. 1792 SC

There apparently where three Whitlock lines which arrived in AL about the same time about 1830's or so. They all appear to have been from SC then into GA then later AL. I have not been able to connect the three lines but would very much like to do so.

I certainly would be happy to send you copies of what I have.

I don't have any information on your line since Thomas Wesley Whitlock so would really like to continue his line forward if you could share that with me.

I am originally from North Alabama near Muscle Shoals but now live just north of Atlanta in Kennesaw which as you probably know is in Cobb Co. I have done some research on the Whitlock line here in Cobb and if you
